CAPABILITIES STATEMENT

About Us

LuxeArt LLC is a trusted coatings and surface finishing partner serving defense, aerospace, medical, automotive, and OEM industries nationwide. Headquartered in Fort Wayne, Indiana, LuxeArt combines advanced technology with certified expertise to deliver mission-critical finishes that perform under pressure. We are proud to be recognized as a 3M Preferred Installer and a Certified Cerakote Installer — designations that demonstrate our commitment to quality, compliance, and innovation. As an FFL/SOT licensed coatings provider, LuxeArt is uniquely positioned to support law enforcement, military, and firearms manufacturers with finishes engineered for duty. Our reputation has been built by serving leading names such as SilencerShop, B&T; USA, 3M Corporation, and Law Enforcement Agencies across the U.S. LuxeArt is not just a custom shop; we are a partner trusted by global brands for reliable, repeatable, and documented results.

Core Competencies

- **Anodizing & Finishing** – Hard and color anodizing on aluminum and titanium with precision tolerances, repeatability, and documented compliance.

- **Certified Coatings** – 3M Preferred Installer and Certified Cerakote Installer. Mission-critical surface protection for defense, aerospace, and OEM applications.

- **Surface Solutions at Scale** – From prototypes to full production lots, delivering consistent anodizing, titanium finishing, PPF, Cerakote, and architectural coatings.

- **QA & Compliance** – Lot QA, batch traceability, protective packaging, and full documentation to meet strict industry and government standards. Actively pursuing ISO 9001 & ISO 13485 certification to further reinforce compliance.

Past Performance

- **SilencerShop** – Precision finishing of high-volume silencer components.

- **B&T; USA** – Anodizing and Cerakote for aerospace-grade and tactical applications.

- **3M Corporation** – Recognized as a 3M Preferred Installer, trusted with Vehicle Color Change, DI-NOC Architectural Finishes, Fleet Graphics, PPF, and Window Films.

- **Law Enforcement Agencies Nationwide** – Duty-grade coatings for firearms and tactical equipment.

Differentiators

- **Trusted by Industry Leaders** – 3M, SilencerShop, B&T; USA, and Law Enforcement Agencies.

- **Certified & Licensed** – FFL/SOT licensed, 3M Preferred, and Certified Cerakote Installer.

- **Multi-Sector Expertise** – Automotive, Aerospace, Defense, Medical, and OEM manufacturing.

- **Proven Quality** – Independently audited, biocompatible finishing, and aerospace-level QA.

- **Brand Strength** – Recognized installer and coatings partner for global brands.
